

106.03051915.1	<p>From: Esselstyn? To: D. W. Layton Ed. Mitchuson who now claims ownership of the "Murray Place"; south of Murray Place, East of Ben Newton's, at least 75 acres; verbal agreement between a man by the name of Barnes and Hillman; original Brown patent. (2 pages)</p>
106.03261915.2	<p>From: Esselstyn? To: D. W. Layton Marking corners and pointers and posting notices from the County line to the McWater's place, Mitchuson who now claims ownership of the McWater's property; 63 acres of the Brown Patent as surveyed by Richardson in 1892</p>
106.03271915.3	<p>Hillman Land & Iron Company, Hematite Store letterhead, written in ink From: D. W. Layton To: Esselstyn Murray-Mitchuson land; set lines that would give Mitchuson land as could be legally claimed either under the Brown Patent or the statute of limitation; Newton Fence? Has not been to see you and I am writing him to see you immediately and arrive at some solution of his problems or we will sue him at the May terms of Court (2 pages)</p>
106.03301915.4	<p>From: Esselstyn To: D. W. Layton Sketch of the "James Brown, 50 acre Patent", I would lay out the lines and if wants to accept them all well and good; if not acceptable, will provide basis on what we present at the injunction</p>
106.03301915.5	<p>Hillman Land & Iron Company, Hematite Store letterhead, written in pencil From: D. W. Layton To: Esselstyn Advised Ed to go to Cadiz to see Mr. Kelly – after showing you all papers that he has so that you may advise him which papers to take with him – and then pass on what will be necessary for Mr. Mitchuson to qualify himself</p>
106.04011915.6	<p>From: Esselstyn To: Mr. J. W. Kelly I am preparing papers which W. E. Mitchuson will bring over to you; they are in connection with the McWaters – Murray land; papers I send are the corrected descriptions of property which Mitchuson is willing to agree to; Mr. Layton wants you to fix this matter and advise Mitchuson how to make perfect his title.</p>
106.04011915.7	<p>From: Esselstyn To: Mr. J. W. Kelly The facts in the case of the McWaters – Murray property that they may provide a satisfactory conclusion regarding boundary lines; reference to 6 exhibitions, 5 of them included in papers (Letter is 3 pages).</p>
106.04021915.8	<p>From: Esselstyn To: D. W. Layton</p>

	All the "dope" in have prepared for Mr. Mitchuson to take to Mr. Kelly (see [106.04011915.7]); working on marking the corners and pointers. Will try to reach the "Underwood Corner" tomorrow; Wednesday when going to camp ran into Chambers and told him we were going to mark his corners; he was not there when we arrived and had not taken down the fence so I marked the corners and posted six notices on the Company side of the line
106.undated.9	7x8.5, written in pencil From: D. W. L. To: Esselstyn Advise you to get copy or make plat of Patent; advised Aron to get Jim Banister to show him all warics on the ground.
