We thank you for the mail order of the 16 <sup>th</sup> received this morning which we are shipping complete with the exception of the Chinaware. We find it impossible to get this at the price mentioned in your letter. This is rather a poor market for the class of goods. Michael Hardware Co. carries a limited stock. The Rhodes-Burford Co. carries a much better stock but cannot sell it at price you mention. . If you write them direct, probably you can buy them at better advantage. If not, we will be very glad to send you what they have, charging you what they cost.
