240.12281923.22	From: Esselstyn To: Princeton Auto Sales, Co. We left at your garage sometime early in the Fall an Exide battery to be charged, as we did not need it at that time we have never removed it. Will you please ship this battery to us at once as our present battery is entirely down and out?
240.12281923.23	Princeton Auto Sales Co. / Court Square / Princeton, Ky. letterhead

	<p>From: John H. McLin To: Esselstyn We have your letter in regard to battery which you state was left here. The writer remembers that you bought a new battery and left an old battery here and was under impression that the old one was no good. We remember that you were here later and asked about the battery and was told that it was not good and for that reason you left it here. We have no trace of the battery but do know that a lot of old batteries that were no good were hauled away and junked</p>
240.12291923.24	<p>From: Esselstyn To: Princeton Auto Sales, Co. This is to acknowledge receipt of your letter of the 28th regarding our battery left with you. We brought battery to be recharged you did not have a service battery for me as your power had been off for several days and all your batteries were in use, therefore it was necessary for us to purchase. You recharged my battery and were using it as a service battery. If you take matter up with Mr. Jones he will verify my statements and you can probably locate it.</p>

240.02251924.26	<p>Princeton Auto Sales Co. / Court Square / Princeton, Ky. letterhead From: John H. McLin To: Esselstyn Thank you for your letter inquiring about trucks and am writing to say I am trying to get some new literature which I hope to get to you this week. I don't believe you will find any truck that give better service or have as little up keep cost as the Dodge-Graham truck. We have not truck representative in your area at the present time so we would be glad to give you a nice commission on any truck you might buy or any cars you may help us to sell.</p>
240.02271924.27	<p>Graham Brothers Trucks letterhead From: Cecil B. Warner, District Representative To: Esselstyn The real money-making truck on any job is the truck that is capable of being everlastingly on the job day in and day out. Your attention is called to pages 10 and 11 of the enclosed catalog which describes our Model 121 and 122 Stake Trucks. We are also attaching copy of testimonial received from Mr. D. D. Goodman of Waynesboro, Tennessee [240.10041923.20]. We know that the Princeton Auto Sales Company, your local Dodge Brothers dealers will be glad to co-operate with you in every way and we would appreciate the opportunity of being of assistance from this end in your efforts to select a truck which will fill your requirements in every particular at the lowest price.</p>

240.04121924.32	<p>From: Esselstyn To: Mr. Cecil B. Warner / District Representative / Graham Bros. Trucks This is to acknowledge receipt of and thank you for your letter of the 9th enclosing catalog of the Bay City Foundry & Machinery Co. showing various types of wenches. The "K" type of winch would undoubtedly be the winch we would want. I am sorry that the present condition of the tie market will not permit us to purchase a truck at the present time.</p>
240.04161924.33	<p>Graham Brothers / Manufacturers of Motor Trucks letterhead From: Robert C. Graham To: Esselstyn Recently you were interviewed by Mr. Cecil B. Warner our Indianapolis District Representative on the possibility of adding a Graham Brother Truck to your transportation equipment. Were you given all the information you needed to enable you to decide on the truck's merits? We are really anxious to learn what your impression was, Mr. Esselstyn and would appreciate your comments. Would it be too much trouble to write, telling us frankly what you think?</p>
240.04291924.34	<p>Graham Brothers Trucks letterhead From: Cecil B. Warner, District Representative To: Esselstyn We know the attached proof copy of our advertisement on the Lumber Industry which appeared in a recent issue of the Saturday Evening Post will be of great interest to you. If we can be of any assistance to you at any time in connection with your transportation problems please be assured we will welcome the opportunity, and we know your local Dodge Brothers' Dealer, Princeton Auto Sales Company will be equally pleased to be of service</p>

240.10291925.64	From: Esselstyn To: Col. Charles Pepper / Princeton, Kentucky Last year I had a conversation with you about the "California Top" for a Dodge car. We have got to have a new top for our Dodge Touring car which was purchased in August 1922 and if you can give me any information on the subject. There is some doubt in my mind as to whether it is advisable to go to the extra expense of putting a closed top on this old car; also whether a California Top can be secured for this car.
240.11021925.65	Broward Abstract Company letterhead From: C. Pepper To: Esselstyn Your favor of the 10/29/25 was forwarded from Princeton and reached here, In reply, Rex Manufacturing Co. of Connerville, Ind. make California Tops for all standard Automobiles but I would not advise you to have one put on a car as old as the one referred to but if you want a closed car, it is cheaper than a

	sedan but if you should get a new car, do not have it put on anywhere but at the factory.
240.11061925.66	From: Esselstyn To: Princeton Auto Sales, Co. Please quote us a price for a new top, including curtains, installed on our Dodge car. This car was purchased in August 1922 you will know the model. Please advise us if you have such a tip in stock, if not, how long it will take to get it.
240.11071925.67	From: Esselstyn To: Princeton Auto Sales, Co. Your letter of the 7 th [240.11071925.68] regarding top for Dodge car received. You may order the top and when it arrives if you will advise us will bring the car over as soon as road conditions will permit.
240.11071925.68	Princeton Auto Sales / Princeton, Ky letterhead From: Ray McLin To: Hillman Land Co. Your letter of the 6 th received. Mr. Esselstyn the truck license on your truck will be \$70.00 plus \$0.50 fee. I thought it best to hold up on this until I hear from you but if you want this license at once, let me know by mail.</p>
240.12301928.98	<p>From: Esselstyn</p> <p>To: Mr. R. W. Marshall</p> <p>Your letter of the 28th received. You failed to send us license for Ford Model T which had license No. 5 for 1928. Assume cost of the Model T Ford will not same as for the Model A. We would like to make one check for the entire amount so if you will send us license for Model A [T]. we will send check or I expect to be in Eddyville not later then Thursday. In regard to Truck license, willing to pay excess portion and if not confirmed by Commission will expect excess refunded.</p>
240.04051929.99	<p>From: Esselstyn</p> <p>To: Duffer Motor Co. / Hopkinsville</p> <p>As soon as Helen Highwater is through with her entertainment, we will be over to have new glass put in the right rear door of our Standard Six. If you do not have this glass, please get it so it can be put in as soon as we can come over – in week to 10 days.</p>
240.08221929.100	<p>From: Esselstyn</p> <p>To: Duffer Motor Co. / Hopkinsville</p> <p>We note in your bill of yesterday you have us charged with \$4.00 for Speedometer Chain and housing. We had these repairs made at Paducah a week ago so you could not possibly have furnished these parts as I told your foreman the speedometer repair had been made. It sounds like we have a credit of \$4.00 on the next job.</p>
240.12291929.101	<p>From: Esselstyn</p> <p>To: Mr. R. W. Marshall, Clerk</p> <p>In accordance with your suggestion, enclosed find 1929 certificates for motor junk. You may renew these licenses for 1930. If you will send me a bill</p>

	for total amount I will send you check for same but there is no rush as it will be several months before we can use any of our motor equipment as the roads are so “#%&” etc, rotten that it will probably next Summer before we can use them.
240.01141930.102	From: Esselstyn To: Mr. R. W. Marshall, Clerk Under date of December 29, 1929 we mailed out four certificates of registration of motor vehicles for 1929 asking you to advise us amount for renewal. Up to present have not received reply. Please advise us by return mail in enclosed stamp envelope of the amount of 1930 licenses and will you please return 1929 certificates.
