263.01041922.03	<ul style="list-style-type: none"> <li>• To: E.H. Simmons</li> <li>• From: J.N. Esselstyn</li> <li>• "Mr. Vick's inventory of the corn crop produced on leased farms, is as follows:-... The above corn was produced from leased fields of Empire Farm which are operated by the Land Department. There are 700 Bu at the Collins Farm which is the best corn the Land Department has and will probably be worth trying to ship to market. There are scattered on the various leased farms 2315 bu nearly all of which is tributary to Mr. Vicks house, but a part of this corn is of a very poor quality and would probably not sell for more than 30 cents per bu, for hog, if we can find a market for it at even that price."</li> </ul>
263.01051922.04	<ul style="list-style-type: none"> <li>• To: J.N. Esselstyn</li> <li>• From: E.H. Simmons</li> <li>• "This is to answer yours of January 4<sup>th</sup>, file no. 263, in regard to buying hogs to use the corn that you have received as rent, because it is not fit for other livestock. This plan is all right provided we can do it to better advantage at Empire Farm. Why can't we let the Farm Department buy the pigs (if they haven't enough already) and then take this surplus corn from the Land Department at a definite price (to be determined by May) and let them carry on the work?"</li> </ul>
