272.12061923.17	<p>From: Esselstyn</p> <p>To: E. H. Simmons</p> <p>This is to reply to that portion of your letters of March 13<sup>th</sup> and December 3<sup>rd</sup> relating to cash tenants for the year 1922. Enclosed find statement of CASH TENANTS for 1922 showing the amount of rentals, the amount which have been collected and the amounts due. Regarding Place No. 314, this place is over on the Tennessee River side, the buildings are in bad condition and also the fences and it had to get a reliable tenant to take the place. For the year 1922 Chas. Cox moved onto the place, but moved off before he attempted to put in a crop, so we cannot expect to collect any rent from him. Place no. 315, John Jacob pays his rent by tie hauling and we will get the \$1.50 due in the course of time. Place</p>

	No. 335 is a small field near the home of L. R. Fulks who usually pays his rent by tie hauling but this year on account of being short of help, he has not done any time hauling but I think the amount will be paid.
